

1

00:00:00,340 --> 00:00:04,800

Mike Curie/NASA Launch Commentator: Everything is go.

2

00:00:04,800 --> 00:00:08,631

(Background . . . T-20)

3

00:00:08,631 --> 00:00:14,870

Mike Curie/NASA Launch Commentator: The engine controller (background . . . T-15) will command

4

00:00:14,870 --> 00:00:18,600

the engine ignition sequence to start at T-minus three seconds.

5

00:00:18,600 --> 00:00:24,119

(Background . . . T-10, 9, 8, 7, 6)

6

00:00:24,119 --> 00:00:34,140

Mike Curie/NASA Launch Commentator: 5, 4, 3, 2, 1 . . . and liftoff of the Falcon 9

7

00:00:34,140 --> 00:00:36,710

rocket and Dragon.

8

00:00:36,710 --> 00:00:39,670

SpaceX-3 is underway.

9

00:00:39,670 --> 00:00:44,870

An American commercial spacecraft launching from U.S. soil makes a special delivery of
