

04:00

1
00:00:01,550 --> 00:00:03,929
NASA Launch Manager Tim Dunn: We've had (inaudible).

2
00:00:03,929 --> 00:00:05,240
We've got good upper level

3
00:00:05,240 --> 00:00:08,040
wind data.

4
00:00:08,040 --> 00:00:09,550
We've got acceptable weather.

5
00:00:09,550 --> 00:00:10,760
Clean range.

6
00:00:10,760 --> 00:00:13,600
Our spacecraft is healthy.

7
00:00:13,600 --> 00:00:16,480
And we've got a great rocket.

8
00:00:16,480 --> 00:00:19,240
So I'd like to now conduct the final launch
readiness poll.

9
00:00:19,240 --> 00:00:21,480
Please respond "go, "no go."

10
00:00:21,480 --> 00:00:22,490
NASA CE.

11
00:00:22,490 --> 00:00:24,369
NASA CE go.

12
00:00:26,720 --> 00:00:25,369
SMA

13

00:00:29,849 --> 00:00:27,720
SMD

14
00:00:32,759 --> 00:00:30,989
NASA MIM

15
00:00:35,079 --> 00:00:33,759
NAM
