

1

00:00:06,060 --> 00:00:09,059

Mike Curie/NASA Launch Commentator: And as your hear, we have scrubbed the

2

00:00:09,059 --> 00:00:16,699

launch attempt for this morning because weather was just not going to cooperate.

3

00:00:16,699 --> 00:00:20,670

The situation was continuing to degrade.

4

00:00:20,670 --> 00:00:23,920

Thicker clouds continued to move into the area.

5

00:00:23,920 --> 00:00:28,199

There was an increased chance of moisture and rather than continue through the
