

1

00:00:00,030 --> 00:00:04,550

Hey, I'm NASA Kennedy's Johnny Nguyen, taking you Inside KSC!"

2

00:00:07,940 --> 00:00:12,960

Kennedy's annual Innovation Expo at the
Neil Armstrong Operations and Checkout Building

3

00:00:12,969 --> 00:00:16,249

highlighted advances in numerous specialties
here at the Center.

4

00:00:17,040 --> 00:00:21,780

The innovations showcased weren't limited
to space and rocketry. They also helped frame

5

00:00:21,790 --> 00:00:26,550

the new mindset needed to transform Kennedy
with concepts pointing to the future of America's

6

00:00:26,550 --> 00:00:31,530

multi-user spaceport. The new KSC will be
capable of supporting aerospace companies

7

00:00:31,530 --> 00:00:33,730

and other advanced, commercial activities.

8

00:00:36,030 --> 00:00:40,030

The finishing touches have been completed
on NASA's Orion spacecraft -- and the ship

9

00:00:40,030 --> 00:00:42,230

is ready for its first flight test.

10

00:00:42,230 --> 00:00:46,519

The cone-shaped spacecraft will be moved to
the launch pad in early November and placed
