MAGAZINE

1

00:00:00,660 --> 00:00:05,080

Hey, I'm NASA Kennedy's Ty Jean-Louis taking you Inside KSC!

2

00:00:10,929 --> 00:00:14,320

The Orion spacecraft is headed back to the Cape where its history-making,

3

00:00:14,320 --> 00:00:18,120

near-perfect flight test began on Dec. 5th.

4

00:00:19,440 --> 00:00:24,560

Kennedy's team from Ground Systems Development and Operations led Orion's recovery from

5

00:00:24,570 --> 00:00:30,250

the Pacific Ocean and return to San Diego by the Navy's USS Anchorage.

6

00:00:33,070 --> 00:00:38,600

This capsule will be re-used for an in-flight abort test in 2018; another Orion will fly

7

00:00:38,600 --> 00:00:42,620

around the moon in a new test of the vehicle destined to carry astronauts
