

1
00:00:00,000 --> 00:00:07,740
Music

2
00:00:07,740 --> 00:00:11,480
NARRATOR: NASA's Kennedy Space Center helped
America reach space

3
00:00:11,490 --> 00:00:15,900
for the first time more than 50 years ago.

4
00:00:15,900 --> 00:00:23,460
We're making the gateway to discovery and
space exploration more accessible than ever before.

5
00:00:23,470 --> 00:00:28,840
Our researchers are devising new ways to use
resources on distant worlds

6
00:00:28,840 --> 00:00:32,440
to make a human journey to Mars successful.

7
00:00:32,440 --> 00:00:38,120
Our facilities have been retooled to serve
the unique needs of not just NASA

8
00:00:38,120 --> 00:00:42,060
but also the commercial aerospace industry.

9
00:00:42,060 --> 00:00:48,740
Known as the hub of NASA launch operations,
Kennedy has transformed into a one-of-a-kind,

10
00:00:48,740 --> 00:00:52,120
multi-user spaceport.

11
00:00:52,120 --> 00:01:00,850
We're capable of hosting a variety of commercial
space transportation systems safely and efficiently.

12

00:01:00,850 --> 00:01:03,420

From assembly to launch and recovery,

13

00:01:03,420 --> 00:01:07,510

from the runway to processing and preparing
to do it all again,
