

1

00:00:00,220 --> 00:00:05,460

Hey I'm Ledlyne Vazquez of Kennedy Space Center,
let's go inside KSC!

2

00:00:07,749 --> 00:00:13,490

The refurbished and modified Orbiter Processing
Facility 3 has transformed into the Commercial

3

00:00:13,490 --> 00:00:20,019

Crew and Cargo Processing Facility for a new
generation of human-rated spacecraft.

4

00:00:20,019 --> 00:00:26,069

Boeing upgraded the high bay and former space
shuttle main engine shop to assemble and process

5

00:00:26,069 --> 00:00:34,070

the company's CST-100 Starliner.

6

00:00:34,070 --> 00:00:40,120

SpaceX released a concept image of Launch
Pad 39A at Kennedy showing what the company

7

00:00:40,120 --> 00:00:45,900

envisions for the historic complex when it
begins launching crews to the International

8

00:00:45,900 --> 00:00:47,980

Space Station in 2017.
