

1

00:00:00,190 --> 00:00:02,880

Hi, I'm Stephanie Ebright of Kennedy Space Center

2

00:00:02,880 --> 00:00:06,670

lets go Inside KSC!

3

00:00:06,670 --> 00:00:09,969

The first segments of the Crew Access Tower for Boeing's CST-

4

00:00:09,969 --> 00:00:13,809

100 Starliner are in place at Space Launch Complex 41.

5

00:00:13,809 --> 00:00:18,020

Seven tiers, a white room and a crew access arm will complete the

6

00:00:18,020 --> 00:00:21,100

structure that will host astronauts as they board the spacecraft for

7

00:00:21,100 --> 00:00:24,930

launches atop United Launch Alliance Atlas V rockets.

8

00:00:24,930 --> 00:00:29,720

The tower is being assembled between Atlas V launches.

9

00:00:29,720 --> 00:00:32,539

The umbilical arm that will connect the upper stage of the Space

10

00:00:32,539 --> 00:00:35,980

Launch System to the Mobile Launcher is at Kennedy for a round

11

00:00:35,980 --> 00:00:37,429
of testing.

12
00:00:37,429 --> 00:00:40,659
The arm will be set up at the Launch Equipment
Test Facility for

13
00:00:40,659 --> 00:00:45,809
evaluations before it takes its place on the
Mobile Launcher.
