

1
00:00:06,560 --> 00:00:10,600

Innovation continues to be a key element in converting the Kennedy Space Center into a

2
00:00:10,600 --> 00:00:13,420

21st century space launch complex.

3
00:00:13,420 --> 00:00:18,420

New ideas are driving updates to the center's operations and infrastructure for more cost-effective

4
00:00:18,420 --> 00:00:23,359

operations, serving multiple users and preparing for the journey to Mars.

5
00:00:23,359 --> 00:00:28,220

Kennedy employees are playing a crucial role in that progress with their innovative ideas.

6
00:00:28,220 --> 00:00:33,570

The annual Innovation Expo gives them an opportunity to collaborate, experience what is happening

7
00:00:33,570 --> 00:00:38,400

throughout KSC, and find support for forward-thinking ideas.
