

1  
00:00:00,329 --> 00:00:02,590  
Hey I'm NASA Kennedy's Dawn Brush taking you

2  
00:00:02,590 --> 00:00:04,130  
Inside KSC.

3  
00:00:07,240 --> 00:00:09,460  
The Emergency Response Team for Kennedy competed

4  
00:00:09,460 --> 00:00:12,589  
recently in the 33rd annual International SWAT  
Round-Up

5  
00:00:12,589 --> 00:00:18,000  
in Orlando to continue polishing the demanding  
skills of the security profession.

6  
00:00:18,000 --> 00:00:23,550  
Obstacle courses and simulated situations  
challenged teams from all over the world.

7  
00:00:23,550 --> 00:00:27,970  
Kennedy's team participates every year to  
keep techniques updated.

8  
00:00:27,970 --> 00:00:32,080  
Orbital ATK publicly revealed its enhanced  
Cygnus spacecraft before

9  
00:00:32,080 --> 00:00:34,700  
it was enclosed in its fairing at Kennedy.

10  
00:00:34,700 --> 00:00:39,980  
Named the S.S. Deke Slayton II for the original  
astronaut and commercial space pioneer,

11  
00:00:39,980 --> 00:00:43,690  
the Cygnus will launch Dec. 3 on an Atlas  
V to carry supplies

12  
00:00:43,690 --> 00:00:46,330  
and equipment to the International Space Station.

13  
00:00:47,380 --> 00:00:49,920  
The Kennedy Space Center would like to wish you a Happy Thanksgiving.
