

KENNEDY SPACE CENTER'S  
**SPACEPORT**  
magazine

1  
00:00:00,350 --> 00:00:02,439  
Hi, I'm NASA Kennedy's Christopher Hummel,

2  
00:00:02,440 --> 00:00:03,900  
taking you Inside KSC

3  
00:00:07,140 --> 00:00:08,720  
In a brief ceremony at the KSC's Visitor

4  
00:00:08,720 --> 00:00:10,910  
Complex on March 1, the iconic countdown

5  
00:00:10,910 --> 00:00:12,510  
clock from the spaceport's Press Site was

6  
00:00:12,510 --> 00:00:13,450  
unveiled.

7  
00:00:13,450 --> 00:00:15,060  
Considered one of the most-watched timepieces

8  
00:00:15,060 --> 00:00:16,840  
in the world, the clock was part of Kennedy's

9  
00:00:16,840 --> 00:00:19,890  
landscape from the Apollo 12 in 1969 through

10  
00:00:19,890 --> 00:00:22,170  
the end of the Space Shuttle Program.

11  
00:00:22,170 --> 00:00:24,650  
Earlier that day, KSC Director Bob Cabana

12  
00:00:24,650 --> 00:00:26,530  
presented an update to community leaders on

13  
00:00:26,530 --> 00:00:28,619

activities at the Florida spaceport.

14

00:00:28,619 --> 00:00:30,590

Guests from business and industry learned how

15

00:00:30,590 --> 00:00:31,610

a 21st century,

16

00:00:31,610 --> 00:00:33,649

multi-user spaceport is moving from an era of

17

00:00:33,649 --> 00:00:35,600

brief flights of exploration, to pioneering

18

00:00:35,600 --> 00:00:37,399

missions to establish a permanent presence in

19

00:00:37,399 --> 00:00:38,449

deep space.

20

00:00:38,449 --> 00:00:40,399

If you would like to help inspire the next

21

00:00:40,399 --> 00:00:41,929

generation of space pioneers,

22

00:00:41,929 --> 00:00:43,620

volunteers are needed for the FIRST Robotics

23

00:00:43,620 --> 00:00:45,649

Competition. The event will take place at the

24

00:00:45,649 --> 00:00:47,280

University of Central Florida from Wednesday,

25

00:00:47,280 --> 00:00:49,469

March 9, through Saturday, March 12.

26

00:00:49,469 --> 00:00:51,019

If you would like to learn more,

27

00:00:51,020 --> 00:00:54,350

Go to [www.usfirst.org](http://www.usfirst.org).

28

00:00:54,350 --> 00:00:56,019

And remember,
