

1
00:00:00,599 --> 00:00:05,520

Hi, I'm NASA Kennedy's Ian Stites, taking you Inside KSC!

2
00:00:05,520 --> 00:00:11,600

A SpaceX Falcon 9 rocket, with a Dragon cargo spacecraft, launched April 8 on the company's

3
00:00:11,600 --> 00:00:15,790

eighth cargo resupply mission for NASA to the International Space Station.

4
00:00:15,790 --> 00:00:21,060

The unpiloted Dragon capsule arrived at the station Sunday, carrying almost 7,000 pounds

5
00:00:21,060 --> 00:00:26,949

of cargo and science experiments to the station, including a new expandable module.

6
00:00:26,949 --> 00:00:31,699

Kennedy Space Center Director Bob Cabana welcomed current and prospective partners to the center

7
00:00:31,699 --> 00:00:34,969

April 7 for a Partnership Landscape Forum and workshop.

8
00:00:34,969 --> 00:00:38,370

The workshop was hosted by the Center Planning and Development Directorate.

9
00:00:38,370 --> 00:00:42,850

The goal was to share information about how to do business with the center and ask participating

10
00:00:42,850 --> 00:00:46,300

companies for feedback on their experience.
