Mike Curie/NASA Launch Commentator: Looking
now at the replay of the GOES-R separation

2
00:00:07,009 --> 00:00:08,009
from the

3
00:00:08,009 --> 00:00:10,550
Centaur upper stage.

4
00:00:10,550 --> 00:00:20,130
This was recorded at the moment of separation
and is being played back to all
