

Flying
39,000 ft
Above Any Ocean in the World

1

00:00:02,070 --> 00:00:06,689

You've seen a lot of rockets liftoff and head
into space,

2

00:00:06,689 --> 00:00:09,360

but you probably haven't seen a rocket launch
like this.
