

1
00:00:00,199 --> 00:00:01,199

Hey everyone.

2
00:00:01,199 --> 00:00:02,199

I'm NASA Kennedy's Laura Poliah,

3
00:00:02,199 --> 00:00:05,240

and I'm taking you Inside KSC

4
00:00:05,240 --> 00:00:10,339

The Orion structural test article was shipped to Lockheed Martin's Denver facility where

5
00:00:10,339 --> 00:00:14,570

it will go through testing to make sure the design is suitable to NASA standards.

6
00:00:14,570 --> 00:00:20,080

The test article was packed inside NASA's Super Guppy aircraft at Kennedy for the trip.

7
00:00:20,080 --> 00:00:24,610

Lockheed Martin is building the Orion spacecraft for future missions to deep space.

8
00:00:24,610 --> 00:00:30,220

NASA's Eighth Annual First Nations Launch Competition was held recently in

9
00:00:30,220 --> 00:00:31,430

Kansasville, Wisconsin.

10
00:00:31,430 --> 00:00:35,180

Teams of Native American college students from across the country participated in the

11
00:00:35,180 --> 00:00:37,370

program that highlights STEM careers.

12

00:00:37,370 --> 00:00:41,760

The competition is managed for NASA by Kennedy's education team.
