

1

00:00:00,000 --> 00:00:05,740

Hey, I'm NASA Kennedy's Nick Rivieccio and I'm taking you Inside KSC!

2

00:00:08,760 --> 00:00:14,780

The last heat-resistant brick was added to the flame trench at Launch Complex 39B this week.

3

00:00:14,980 --> 00:00:19,800

This completes the renovation of the flame trench where about 90,000 heat-resistant bricks

4

00:00:19,800 --> 00:00:25,240

were recently installed to support launches of the Space Launch System rocket

5

00:00:25,240 --> 00:00:28,720

and Orion spacecraft on missions to deep space.

6

00:00:29,540 --> 00:00:36,780

The names of six retired communication professionals were added to the "Chroniclers" wall at Kennedy's Press

7

00:00:37,250 --> 00:00:43,400

During an unveiling ceremony, Bruce Hall, Scott Harris, Bill Johnson, Warren Leary,

8

00:00:43,400 --> 00:00:49,320

Bob Murray and Phil Sandlin were honored for their work covering NASA missions and events

9

00:00:49,320 --> 00:00:50,580

from Kennedy Space Center.
