[Music]

2
00:00:20,700 --> 00:00:14,789

welcome to a new era of American

3
00:00:22,620 --> 00:00:20,710

leadership in space Kennedy Space Center

4
00:00:24,480 --> 00:00:22,630

is proof that public and private sectors

5
00:00:26,519 --> 00:00:24,490

can achieve more by working together

6
00:00:28,920 --> 00:00:26,529

than they could ever achieve apart as

7
00:00:32,820 --> 00:00:28,930

President Trump said last week in his

8
00:00:36,270 --> 00:00:32,830

work it is America's destiny to be the

9
00:00:39,840 --> 00:00:36,280

leader amongst nations on our adventure

10
00:00:42,900 --> 00:00:39,850

into the grave I'm not with the National

11
00:00:46,049 --> 00:00:42,910

Space Council we will grab that destiny

12
00:00:48,479 --> 00:00:46,059

with both hands and go to work with each

13
00:00:51,510 --> 00:00:48,489

and every one of you and hear from this

14

00:00:55,380 --> 00:00:51,520

bridge to space our nation will return
