

1  
00:00:01,430 --> 00:00:03,529  
This is Delta Launch Control.

2  
00:00:03,529 --> 00:00:06,669  
Once again, we have scrubbed launch for today.

3  
00:00:06,669 --> 00:00:11,870  
And, as we heard from Omar Baez a few moments ago, the team is planning to do a 24-hour

4  
00:00:11,870 --> 00:00:12,870  
recycle.

5  
00:00:12,870 --> 00:00:17,199  
So, for now we will say good evening and good morning from Delta Launch Control and turn

6  
00:00:17,199 --> 00:00:18,720  
things back to you Tori.

7  
00:00:18,720 --> 00:00:19,720  
Thanks guys.

8  
00:00:19,720 --> 00:00:23,130  
So, as you just heard, we have a 24-hour scrub of the launch.

9  
00:00:23,130 --> 00:00:25,890  
We'll be back on the air tomorrow at 1:15 a.m.

10  
00:00:25,890 --> 00:00:27,480  
Pacific Standard Time.

11  
00:00:27,480 --> 00:00:37,570
