

LAUNCH SERVICES PROGRAM

NASA

KENNEDY SPACE CENTER

EMITTING BRIDGE TO SPACE

1
00:00:09,240 --> 00:00:12,650

"America's most advanced weather eye in the sky."

2
00:00:14,440 --> 00:00:15,360

"Where did we come from?"

3
00:00:15,360 --> 00:00:16,240

The search for life in the universe."

4
00:00:17,120 --> 00:00:21,400

"We're going to launch - for the first time
- on an interplanetary mission from the west coast."

5
00:00:21,620 --> 00:00:23,080

"Pegasus is away."

6
00:00:25,860 --> 00:00:28,960

"We've got three and half weeks, we need to
hit that precisely to get to the Sun."
