1
00:00:05,559 --> 00:00:02,750
hi I'm NASA Kennedy's Marie Lewis taking

2
00:00:08,390 --> 00:00:05,569
you inside KSC

3
00:00:10,310 --> 00:00:08,400
Vice President Mike Pence returned to

4
00:00:12,169 --> 00:00:10,320
Kennedy Space Center this week to chair

5
00:00:14,660 --> 00:00:12,179
a meeting of the National Space Council

6
00:00:16,640 --> 00:00:14,670
pence and the second lady arrived aboard

7
00:00:18,380 --> 00:00:16,650
Air Force two on Tuesday afternoon

8
00:00:20,750 --> 00:00:18,390
touching down on the Shuttle Landing

9
00:00:22,759 --> 00:00:20,760
Facility runway during the vice

10
00:00:24,890 --> 00:00:22,769
president's two-day visit he toured

11
00:00:27,109 --> 00:00:24,900
several commercial facilities on center

12
00:00:29,480 --> 00:00:27,119
and at Cape Canaveral Air Force Station

13
00:00:31,550 --> 00:00:29,490

the National Space Council met Wednesday

14

00:00:33,350 --> 00:00:31,560

morning in the high bay of Kennedy Space

15

00:00:35,870 --> 00:00:33,360

Station processing facility

16

00:00:38,660 --> 00:00:35,880

the theme of the event was moon Mars and

17

00:00:41,619 --> 00:00:38,670

worlds beyond winning the next frontier

18

00:00:44,990 --> 00:00:41,629

much more than the bridge to space

19

00:00:48,440 --> 00:00:45,000

Kennedy Space Center is the bridge to

20

00:00:50,510 --> 00:00:48,450

the future the national space council

21

00:00:53,270 --> 00:00:50,520

advises the President on America's space

22

00:00:55,100 --> 00:00:53,280

policy and long-range goals it includes

23

00:00:56,660 --> 00:00:55,110

leaders in government from civil and

24

00:00:58,490 --> 00:00:56,670

military space programs

25

00:01:01,939 --> 00:00:58,500

president Trump re-established the

26

00:01:04,340 --> 00:01:01,949

council in June 2017 and remember

27

00:01:06,020 --> 00:01:04,350
