1
00:00:04,550 --> 00:00:02,929
hey I'm NASA Kennedy's butt against the

2
00:00:10,280 --> 00:00:04,560
Cassini and I'm gonna take you inside

3
00:00:13,070 --> 00:00:10,290
KSC NASA and SpaceX are preparing for

4
00:00:16,099 --> 00:00:13,080
the next mission to deliver cargo to the

5
00:00:18,650 --> 00:00:16,109
international space station the SpaceX

6
00:00:21,380 --> 00:00:18,660
Falcon 9 rocket is scheduled to launch

7
00:00:25,130 --> 00:00:21,390
April 2nd from Cape Canaveral Air Force

8
00:00:28,279 --> 00:00:25,140
Station on the company's 14 commercial

9
00:00:31,299 --> 00:00:28,289
resupply mission on board will be crew

10
00:00:33,470 --> 00:00:31,309
supplies station equipment and research

11
00:00:36,229 --> 00:00:33,480
including the atmosphere space

12
00:00:38,690 --> 00:00:36,239
interaction monitor which is an Earth

13
00:00:40,970 --> 00:00:38,700

Observatory that will study how severe

14

00:00:44,360 --> 00:00:40,980

thunderstorm impact our planet's climate

15

00:00:46,760 --> 00:00:44,370

and atmosphere the payload also includes

16

00:00:49,310 --> 00:00:46,770

the veggie passive orbital nutrient

17

00:00:51,709 --> 00:00:49,320

delivery system designed to test a new

18

00:00:53,560 --> 00:00:51,719

method of delivering nutrients to plants

19

00:00:56,420 --> 00:00:53,570

growing in microgravity

20

00:00:58,520 --> 00:00:56,430

marches woman History Month and Kenny

21

00:01:01,729 --> 00:00:58,530

Space Center's celebrated by welcoming

22

00:01:04,640 --> 00:01:01,739

back one of these female pioneers Joanne

23

00:01:07,340 --> 00:01:04,650

Morgan was NASA first female senior

24

00:01:09,770 --> 00:01:07,350

executive director and before that the

25

00:01:12,649 --> 00:01:09,780

first female to serve in the fire moon

26

00:01:15,609 --> 00:01:12,659

room this week she shared her insight

27

00:01:19,490 --> 00:01:15,619

and experience with space for employees

28

00:01:22,510 --> 00:01:19,500

my supervisor supported me they gave me

29

00:01:25,910 --> 00:01:22,520

a task to do then when I hit a hurdle

30

00:01:28,910 --> 00:01:25,920

they helped me get over that hurdle and
