

1
00:00:06,400 --> 00:00:02,330
hi I'm NASA Kennedy's Tiffany Farrelly

2
00:00:11,720 --> 00:00:08,720
NASA's insight spacecraft is on a

3
00:00:13,820 --> 00:00:11,730
six-month 300 million mile to Mars

4
00:00:15,320 --> 00:00:13,830
following a successful liftoff from

5
00:00:16,609 --> 00:00:15,330
Vandenberg Air Force Base in California

6
00:00:18,439 --> 00:00:16,619
on May 5th

7
00:00:21,080 --> 00:00:18,449
the Mars Lander launched atop a United

8
00:00:23,230 --> 00:00:21,090
Launch Alliance Atlas 5 rocket will

9
00:00:25,519 --> 00:00:23,240
reach the Red Planet on November 26

10
00:00:26,929 --> 00:00:25,529
insight is the first interplanetary

11
00:00:29,000 --> 00:00:26,939
mission to launch from the west coast

12
00:00:31,759 --> 00:00:29,010
and will be the first mission to look

13
00:00:33,830 --> 00:00:31,769

deep beneath the Martian surface the

14

00:00:36,080 --> 00:00:33,840

voice of Kennedy launch control now has

15

00:00:37,340 --> 00:00:36,090

a place on a chroniclers wall George

16

00:00:39,380 --> 00:00:37,350

Diller joined the prestigious

17

00:00:41,590 --> 00:00:39,390

chroniclers group during a ceremony at

18

00:00:44,360 --> 00:00:41,600

Kennedy's NASA News Center on May 4th

19

00:00:46,990 --> 00:00:44,370

also inducted was former Aviation Week

20

00:00:49,639 --> 00:00:47,000

and space technology reporter Greg Koval

21

00:00:52,069 --> 00:00:49,649

chroniclers recognizes exceptional news

22

00:00:54,170 --> 00:00:52,079

and communication retirees who shared

23

00:00:56,689 --> 00:00:54,180

information on US space exploration from

24

00:00:59,360 --> 00:00:56,699

Kennedy for at least 10 years dillards

25

00:01:01,930 --> 00:00:59,370

decorated career spanned 37 years in

26

00:01:04,450 --> 00:01:01,940

nasa's public affairs

27

00:01:06,620 --> 00:01:04,460

and remember spaceport magazine digs
