

INSIDE
▶▶ KSC!

1
00:00:06,639 --> 00:00:02,750
hey I'm Lorne collazo and I'll be taking

2
00:00:10,820 --> 00:00:09,290
Kennedy's upgraded crawler-transporter -

3
00:00:13,580 --> 00:00:10,830
was moved beneath the mobile launcher

4
00:00:16,070 --> 00:00:13,590
for testing three times it raised the ml

5
00:00:18,140 --> 00:00:16,080
several inches off its support posts to

6
00:00:19,939 --> 00:00:18,150
practice lifting procedures validate

7
00:00:23,120 --> 00:00:19,949
interface locations and confirm the

8
00:00:25,429 --> 00:00:23,130
mobile launches wait exploration ground

9
00:00:27,410 --> 00:00:25,439
systems is preparing KSC to support

10
00:00:29,630 --> 00:00:27,420
NASA's Space Launch System rocket and

11
00:00:32,260 --> 00:00:29,640
Orion spacecraft for exploration

12
00:00:34,729 --> 00:00:32,270
mission-1 and deep space destinations

13
00:00:36,709 --> 00:00:34,739

hurricane season has begun and at

14

00:00:38,389 --> 00:00:36,719

Kennedy Space Center being prepared for

15

00:00:40,299 --> 00:00:38,399

these potentially deadly storms is

16

00:00:43,010 --> 00:00:40,309

something we take very seriously

17

00:00:44,889 --> 00:00:43,020

the Center hosted its annual hurricane

18

00:00:47,389 --> 00:00:44,899

awareness briefing for the workforce

19

00:00:49,369 --> 00:00:47,399

Brevard County Emergency Management and

20

00:00:51,770 --> 00:00:49,379

a meteorologist from a local television

21

00:00:53,720 --> 00:00:51,780

station shared updates and general

22

00:00:55,970 --> 00:00:53,730

information about preparing for a storm

23

00:00:58,160 --> 00:00:55,980

just in the past two years the Space

24

00:01:00,590 --> 00:00:58,170

Coast has felt the effects of two major

25

00:01:03,260 --> 00:01:00,600

hurricanes protecting our workforce

26

00:01:05,899 --> 00:01:03,270

their families and our assets is our

27

00:01:08,240 --> 00:01:05,909

number one priority and remember
