1
00:00:04,579 --> 00:00:02,300
hi I'm Joshua Santora of NASA Kennedy's

2
00:00:05,690 --> 00:00:04,589
rocket range podcast taking you inside

3
00:00:08,839 --> 00:00:05,700
KSC

4
00:00:10,759 --> 00:00:08,849
a SpaceX Falcon 9 rocket blasted off

5
00:00:12,320 --> 00:00:10,769
from Space Launch Complex 40 at Cape

6
00:00:14,600 --> 00:00:12,330
Canaveral Air Force Station in Florida

7
00:00:16,369 --> 00:00:14,610
early Friday morning aboard the

8
00:00:19,220 --> 00:00:16,379
two-stage launch vehicle is SpaceX's

9
00:00:21,320 --> 00:00:19,230
Dragon spacecraft carrying more than 59

10
00:00:22,910 --> 00:00:21,330
hundred pounds of research supplies and

11
00:00:25,400 --> 00:00:22,920
hardware to the International Space

12
00:00:26,960 --> 00:00:25,410
Station the CRS 15 cargo mission marks

13
00:00:28,640 --> 00:00:26,970

the company's fifteenth commercial

14

00:00:30,859 --> 00:00:28,650

resupply services mission to the space

15

00:00:32,930 --> 00:00:30,869

station dragon will deliver critical

16

00:00:35,000 --> 00:00:32,940

materials to directly support dozens of

17

00:00:38,810 --> 00:00:35,010

science and research investigations that

18

00:00:40,160 --> 00:00:38,820

will occur during expedition 56 strap-on

19

00:00:42,319 --> 00:00:40,170

your Spurs and come saddle up to the

20

00:00:44,510 --> 00:00:42,329

Rocket ranch NASA Kennedy Space Center's

21

00:00:45,979 --> 00:00:44,520

exciting new podcast series you'll hear

22

00:00:47,240 --> 00:00:45,989

from extraordinary people who are behind

23

00:00:49,400 --> 00:00:47,250

the rocket science at the world's

24

00:00:51,590 --> 00:00:49,410

premier multi-user spaceport meet

25

00:00:53,330 --> 00:00:51,600

scientists engineers and technicians who

26
00:00:55,279 --> 00:00:53,340
are paving the way to send humans back

27
00:00:56,990 --> 00:00:55,289
to the moon and later to Mars the

28
00:00:59,029 --> 00:00:57,000
podcast will feature fun conversations

29
00:01:00,799 --> 00:00:59,039
and unique stories serving as a sneak

30
00:01:03,170 --> 00:01:00,809
peek into the inner workings at Kennedy

31
00:01:05,780 --> 00:01:03,180
tweet us at NASA Kennedy and use the

32
00:01:07,910 --> 00:01:05,790
hashtag NASA rocket range subscribe on

33
00:01:10,100 --> 00:01:07,920
your favorite podcast line new episodes

34
00:01:12,230 --> 00:01:10,110
will air every month and remember
