

I'm NASA Kennedy's

BETHANNE HULL

taking you...

1
00:00:04,970 --> 00:00:02,119
hi I'm NASA Kennedy's Bethany Hall and

2
00:00:07,380 --> 00:00:04,980
I'm taking you inside KSC

3
00:00:09,520 --> 00:00:07,390
[Music]

4
00:00:11,440 --> 00:00:09,530
NASA's coolest hottest mission is

5
00:00:13,330 --> 00:00:11,450
getting closer to launch the Parker

6
00:00:15,460 --> 00:00:13,340
Solar Probe was transported to the pad

7
00:00:17,589 --> 00:00:15,470
and lifted into place atop the United

8
00:00:19,870 --> 00:00:17,599
Launch Alliance Delta for heavy rocket

9
00:00:21,460 --> 00:00:19,880
that will carry it into space the Parker

10
00:00:24,700 --> 00:00:21,470
Solar Probe built by the Applied Physics

11
00:00:26,530 --> 00:00:24,710
lab will need 55 times the energy it

12
00:00:28,839 --> 00:00:26,540
takes to get to Mars in order to touch

13
00:00:30,850 --> 00:00:28,849

the Sun and this powerful launch vehicle

14

00:00:33,190 --> 00:00:30,860

chosen by the launch services program is

15

00:00:35,590 --> 00:00:33,200

what it takes three booster cores a

16

00:00:38,850 --> 00:00:35,600

cryogenic second stage and even a third

17

00:00:40,900 --> 00:00:38,860

stage specially made by Northrop Grumman

18

00:00:43,000 --> 00:00:40,910

Kennedy is proud to recognize the

19

00:00:44,770 --> 00:00:43,010

achievements of three employees who

20

00:00:46,960 --> 00:00:44,780

receives one of the agency's most

21

00:00:49,000 --> 00:00:46,970

prestigious awards during a ceremony at

22

00:00:50,940 --> 00:00:49,010

the Johnson Space Center in Houston

23

00:00:53,620 --> 00:00:50,950

NASA Administrator Jim bridenshtein

24

00:00:56,380 --> 00:00:53,630

presented Distinguished Service Medal to

25

00:00:58,150 --> 00:00:56,390

ted adams john Maja's on oh and the

26

00:01:00,520 --> 00:00:58,160

deputy program manager for the launch

27

00:01:01,500 --> 00:01:00,530

services program chuck Duvall who wasn't

28

00:01:03,400 --> 00:01:01,510

able to attend the ceremony

29

00:01:05,560 --> 00:01:03,410

distinguished service medals are given

30

00:01:09,160 --> 00:01:05,570

to individuals who have had a profound

31

00:01:11,709 --> 00:01:09,170

impact on nasa's mission success and
