

1

00:00:02,210 --> 00:00:17,040

CT's ready to roll. Launch director, NTD on 232. This is launch director go ahead NTD.

2

00:00:17,040 --> 00:00:21,870

Yes, good morning ma'am. All our comm checks with observers are complete. The

3

00:00:21,870 --> 00:00:27,680

CT is in their final preps for rolling.

4

00:00:27,680 --> 00:00:34,370

CT path clears established.

Safety console go.

5

00:00:34,370 --> 00:00:37,420

NTD copies.

6

00:00:37,720 --> 00:00:39,160

All right, I copy all.

7

00:00:39,660 --> 00:00:41,020

Isn't that awesome?

8

00:00:44,140 --> 00:00:46,700

Once again, the KSC team has excelled.

9

00:00:46,960 --> 00:00:52,560

Will launch Orion crew flights and some science missions too.

10

00:00:52,560 --> 00:00:54,780

This is so exciting!

11

00:00:55,140 --> 00:01:04,500

Status update. Clears are set. Copy.

12

00:01:04,500 --> 00:01:09,200

We basically built a skyscraper that you can move around.

13

00:01:09,300 --> 00:01:18,540

Can you imagine that with a rocket on it?

This thing's huge! And I can't wait to see it with a rocket.

14

00:01:18,540 --> 00:01:27,540

We've had a good week out at the pad. I think we're ready to bring her inside. Go to roll.
