

1
00:00:00,900 --> 00:00:04,869

[Music]

2
00:00:11,390 --> 00:00:07,730

not so fast I have something better

3
00:00:13,879 --> 00:00:11,400

better than recycling Oscar wow that's

4
00:00:16,160 --> 00:00:13,889

cool what does it do so Oscar stands for

5
00:00:18,590 --> 00:00:16,170

orbital syngas commodity augmentation

6
00:00:21,080 --> 00:00:18,600

reactor it converts food and drink

7
00:00:22,880 --> 00:00:21,090

packages into rocket fuel we need one of

8
00:00:24,259 --> 00:00:22,890

these in space when I was on the

9
00:00:26,900 --> 00:00:24,269

International Space Station for six

10
00:00:28,849 --> 00:00:26,910

months the trash really piled up yeah so

11
00:00:30,470 --> 00:00:28,859

that's the plan when we send humans to

12
00:00:32,510 --> 00:00:30,480

Mars that's going to be a six month

13
00:00:34,610 --> 00:00:32,520

journey each way and trash is going to
