

**INSIDE
▶▶ KSC!**

1
00:00:07,490 --> 00:00:02,690
hi I'm NASA Kennedy's Daniele samsara

2
00:00:09,200 --> 00:00:07,500
and I'm taking you inside KSC NASA and

3
00:00:11,330 --> 00:00:09,210
SpaceX announced their plan to move

4
00:00:12,980 --> 00:00:11,340
forward with the uncrewed demo one test

5
00:00:15,110 --> 00:00:12,990
flight of the crew dragon to the

6
00:00:17,960 --> 00:00:15,120
International Space Station on Saturday

7
00:00:18,830 --> 00:00:17,970
March 2nd at 249 a.m. Eastern Standard

8
00:00:20,660 --> 00:00:18,840
Time

9
00:00:23,660 --> 00:00:20,670
after the Flight Readiness review that

10
00:00:25,279 --> 00:00:23,670
took place Friday February 22nd the

11
00:00:28,009 --> 00:00:25,289
spacecraft will lift off from launch

12
00:00:30,230 --> 00:00:28,019
complex 39a at NASA's Kennedy Space

13
00:00:32,330 --> 00:00:30,240

Center in Florida atop of Falcon 9

14

00:00:34,549 --> 00:00:32,340

rocket it will be the first time a

15

00:00:36,620 --> 00:00:34,559

commercially built and operated American

16

00:00:38,440 --> 00:00:36,630

rocket and spacecraft designed for

17

00:00:41,090 --> 00:00:38,450

humans will launch to the space station

18

00:00:43,160 --> 00:00:41,100

the crew dragon is scheduled to dock to

19

00:00:45,440 --> 00:00:43,170

the space station Sunday March 3rd and

20

00:00:47,600 --> 00:00:45,450

will remain docked until March 8th when

21

00:00:49,639 --> 00:00:47,610

it will return to Earth the spacecraft

22

00:00:51,410 --> 00:00:49,649

will be carrying close to 400 pounds of

23

00:00:53,450 --> 00:00:51,420

crew supplies and equipment to the space

24

00:00:56,479 --> 00:00:53,460

station and will bring critical research

25

00:00:58,459 --> 00:00:56,489

samples factor NASA's Kennedy Space

26

00:01:00,260 --> 00:00:58,469

Center is accepting submissions for

27

00:01:02,330 --> 00:01:00,270

original artwork to be displayed on a

28

00:01:04,820 --> 00:01:02,340

wall in the astronaut crew quarters here

29

00:01:07,310 --> 00:01:04,830

at Kennedy interested artists who are US

30

00:01:09,050 --> 00:01:07,320

citizens age 18 or older should submit

31

00:01:11,899 --> 00:01:09,060

artwork depicting what the future of

32

00:01:13,880 --> 00:01:11,909

space looks like to them if your artwork

33

00:01:15,830 --> 00:01:13,890

is chosen your art could be visible

34

00:01:18,050 --> 00:01:15,840

during future NASA launch coverage of

35

00:01:19,880 --> 00:01:18,060

crew departures you'll also receive an

36

00:01:21,620 --> 00:01:19,890

invitation to bring up to three guests

37

00:01:23,690 --> 00:01:21,630

with you to view a commercial through

38

00:01:25,730 --> 00:01:23,700

launch at Kennedy's learn more and

39

00:01:29,420 --> 00:01:25,740

submit your entries by April 30th at
