

1  
00:00:05,980 --> 00:00:02,659  
hi I'm NASA Kennedy's Heidi Hardin and

2  
00:00:08,320 --> 00:00:05,990  
I'm taking you inside KSC

3  
00:00:10,430 --> 00:00:08,330  
Kennedy Space Center Director Bob Cabana

4  
00:00:12,530 --> 00:00:10,440  
provided an update on the center's

5  
00:00:14,450 --> 00:00:12,540  
accomplishments to community leaders and

6  
00:00:17,090 --> 00:00:14,460  
stakeholders in the Center for Space

7  
00:00:19,640 --> 00:00:17,100  
education at nearby Kennedy Space Center

8  
00:00:21,380 --> 00:00:19,650  
Visitor Complex Cabana covered recent

9  
00:00:23,720 --> 00:00:21,390  
achievements by Kennedy led programs

10  
00:00:25,670 --> 00:00:23,730  
including exploration ground systems

11  
00:00:27,859 --> 00:00:25,680  
launch services and Commercial Crew

12  
00:00:29,870 --> 00:00:27,869  
programs exploration research and

13  
00:00:32,600 --> 00:00:29,880

Technology and Center planning and

14

00:00:34,880 --> 00:00:32,610

development Cabana also provided a look

15

00:00:36,770 --> 00:00:34,890

ahead with updates about NASA's goal to

16

00:00:38,959 --> 00:00:36,780

get to the moon and plans for the new

17

00:00:41,840 --> 00:00:38,969

gateway a lunar outpost for deep space

18

00:00:43,850 --> 00:00:41,850

exploration afterward the group had the

19

00:00:45,860 --> 00:00:43,860

opportunity to talk with representatives

20

00:00:48,889 --> 00:00:45,870

from each of the programs and some of

21

00:00:50,540 --> 00:00:48,899

the commercial partners Kennedy Space

22

00:00:52,310 --> 00:00:50,550

Center employees and guests were on the

23

00:00:54,709 --> 00:00:52,320

move during the annual tour to KSC

24

00:00:56,869 --> 00:00:54,719

cycling event the bicyclists took a

25

00:00:57,950 --> 00:00:56,879

relaxing early-morning ride along scenic

26

00:01:00,799 --> 00:00:57,960

routes throughout the center's

27

00:01:03,200 --> 00:01:00,809

industrial area launch complex 39 area

28

00:01:06,530 --> 00:01:03,210

and the shuttle landing facility before

29

00:01:09,050 --> 00:01:06,540

finishing up at the Visitor Complex and
