

1
00:00:06,519 --> 00:00:02,389
hi I'm NASA Kennedy's Darryl nail and

2
00:00:11,120 --> 00:00:08,960
administrator Jim bright ensign unveiled

3
00:00:13,669 --> 00:00:11,130
the president's 1.6 billion dollar

4
00:00:15,350 --> 00:00:13,679
budget increase to NASA's annual budget

5
00:00:17,930 --> 00:00:15,360
the administrator made the announcement

6
00:00:19,910 --> 00:00:17,940
during an agency-wide town hall meeting

7
00:00:22,310 --> 00:00:19,920
he says the additional money is needed

8
00:00:25,450 --> 00:00:22,320
to accelerate the agency's efforts to

9
00:00:27,620 --> 00:00:25,460
land humans on the moon by 2024

10
00:00:30,009 --> 00:00:27,630
afterwards Kennedy Space Center Director

11
00:00:32,959 --> 00:00:30,019
Bob Cabana updated the KSC workforce

12
00:00:34,819 --> 00:00:32,969
about the NASA budget amendment and said

13
00:00:36,950 --> 00:00:34,829

the programs here which include

14

00:00:39,410 --> 00:00:36,960

exploration ground systems Commercial

15

00:00:41,360 --> 00:00:39,420

Crew exploration research and technology

16

00:00:43,729 --> 00:00:41,370

and the launch services program are

17

00:00:46,430 --> 00:00:43,739

ready to support the agency's mission to

18

00:00:48,049 --> 00:00:46,440

the moon there is an any aspect to this

19

00:00:50,180 --> 00:00:48,059

effort that we aren't involved in

20

00:00:53,479 --> 00:00:50,190

everyone here at the Kennedy Space

21

00:00:56,869 --> 00:00:53,489

Center has a role to play we have the

22

00:00:59,950 --> 00:00:56,879

capability we have the purpose we have

23

00:01:04,189 --> 00:00:59,960

the charge we have the responsibility

24

00:01:06,800 --> 00:01:04,199

the time is now let's go

25

00:01:09,170 --> 00:01:06,810

the 1.6 billion dollar budget amendment

26

00:01:12,609 --> 00:01:09,180

is in addition to NASA's initial budget

27

00:01:15,590 --> 00:01:12,619

request of 21 billion dollars and
