

1
00:00:06,099 --> 00:00:02,810
hi I'm NASA Kennedy's Lauren laughs and

2
00:00:11,089 --> 00:00:08,990
NASA led Boeing and United Launch

3
00:00:14,180 --> 00:00:11,099
Alliance in an escape and triage

4
00:00:16,460 --> 00:00:14,190
simulation at Space Launch Complex 41 at

5
00:00:18,830 --> 00:00:16,470
Cape Canaveral Air Force Station on July

6
00:00:20,990 --> 00:00:18,840
24th the exercise was designed to

7
00:00:21,590 --> 00:00:21,000
rehearse how in the unlikely event of an

8
00:00:23,870 --> 00:00:21,600
emergency

9
00:00:26,120 --> 00:00:23,880
astronauts can safely escape the launch

10
00:00:28,220 --> 00:00:26,130
pad and reach a nearby staging area for

11
00:00:30,859 --> 00:00:28,230
medical attention they used a modified

12
00:00:33,110 --> 00:00:30,869
zipline to evacuate the pad then drove a

13
00:00:34,610 --> 00:00:33,120

tank light vehicle to a helipad we're in

14

00:00:36,770 --> 00:00:34,620

a real-life scenario they could be

15

00:00:38,510 --> 00:00:36,780

airlifted to a hospital the simulation

16

00:00:40,490 --> 00:00:38,520

is one of several being conducted by

17

00:00:42,799 --> 00:00:40,500

NASA with Commercial Crew partners

18

00:00:46,069 --> 00:00:42,809

Boeing and SpaceX to ensure astronaut

19

00:00:48,560 --> 00:00:46,079

safety NASA's iconic Vehicle Assembly

20

00:00:50,360 --> 00:00:48,570

Building and its designers have been

21

00:00:52,670 --> 00:00:50,370

recognized for their extraordinary role

22

00:00:54,889 --> 00:00:52,680

in the u.s. space program the Florida

23

00:00:57,080 --> 00:00:54,899

Association of the American Institute of

24

00:00:59,270 --> 00:00:57,090

Architects presented the test of time

25

00:01:00,680 --> 00:00:59,280

award to Kelvin Manning Kennedy Space

26

00:01:03,529 --> 00:01:00,690

Center's Associate Director for

27

00:01:05,450 --> 00:01:03,539

technical it happened on July 27th of
