

1
00:00:01,719 --> 00:00:05,899

Twenty seconds — 10 or 20 seconds away from
Dragon separation, so let's listen in for

2
00:00:05,899 --> 00:00:06,899
the call-outs.

3
00:00:06,899 --> 00:00:18,360
And there it is — successful deployment
of the Dragon spacecraft.
