1  
00:00:04,319 --> 00:00:09,549

And there we go, now getting a view of one set of the solar panels deploying.

2  
00:00:09,549 --> 00:00:15,919

Again, one on each side of Dragon's trunk, giving a wingspan of about 54 feet once fully

3  
00:00:15,919 --> 00:00:17,240

deployed.
