

1
00:00:05,240 --> 00:00:02,659
hi I'm NASA Kennedy's Georgia Sandage

2
00:00:08,960 --> 00:00:05,250
and I'm taking you inside KSC

3
00:00:11,360 --> 00:00:08,970
a SpaceX Falcon 9 rocket blasted off

4
00:00:13,160 --> 00:00:11,370
from Space Launch Complex 40 at Cape

5
00:00:16,129 --> 00:00:13,170
Canaveral Air Force Station in Florida

6
00:00:18,340 --> 00:00:16,139
on Thursday afternoon atop the Falcon 9

7
00:00:21,560 --> 00:00:18,350
with SpaceX's uncrewed Dragon spacecraft

8

00:00:33,110 --> 00:00:30,720

space station

14

00:00:34,819 --> 00:00:33,120

our science investigations supplies and

15

00:00:37,940 --> 00:00:34,829

equipment including a next-generation

16

00:00:39,350 --> 00:00:37,950

Earth imaging system nearly 50

17

00:00:40,700 --> 00:00:39,360

exhibitors gathered in the Neil

building at NASA's Kennedy Space Center

20

00:00:47,450 --> 00:00:45,059

recently to demonstrate new technologies

21

00:00:49,580 --> 00:00:47,460

and innovations hosted by the Office of

22

00:00:51,080 --> 00:00:49,590

the chief technologist the Showcase was

23

00:00:53,299 --> 00:00:51,090

part of the center's innovation days

24

00:00:55,790 --> 00:00:53,309

aimed at fostering and encouraging an

25

00:00:57,290 --> 00:00:55,800

00:01:00,939 --> 00:00:58,890

directorates programs and organizations

28

00:01:03,080 --> 00:01:00,949

across the multi-user spaceport

29

00:01:04,520 --> 00:01:03,090

innovation days is one of the several

30

00:01:05,750 --> 00:01:04,530

events throughout the year that

31

00:01:07,460 --> 00:01:05,760

highlights solutions to challenges

32

00:01:10,580 --> 00:01:07,470

employees face as they work to

33

00:01:12,679 --> 00:01:10,590

accomplish NASA's missions and remember
