

1
00:00:06,950 --> 00:00:02,419
hi I'm NASA Kennedy's Courtney Landsman

2
00:00:08,960 --> 00:00:06,960
and I'm taking you inside KSC the United

3
00:00:10,730 --> 00:00:08,970
Launch Alliance Atlas five rocket that

4
00:00:12,980 --> 00:00:10,740
will soon launch Boeing's cst-100

5
00:00:14,839 --> 00:00:12,990
Starliner spacecraft was fully fueled

6
00:00:16,790 --> 00:00:14,849
December 6 for an important pre-launch

7
00:00:18,859 --> 00:00:16,800
milestone called the wet dress rehearsal

8
00:00:21,349 --> 00:00:18,869
at Cape Canaveral Air Force Station

9
00:00:23,450 --> 00:00:21,359
Space Launch Complex 41 the Rockets

10
00:00:25,130 --> 00:00:23,460
booster and at centaur upper stage were

11
00:00:27,259 --> 00:00:25,140
loaded with propellants for a one-day

12
00:00:29,900 --> 00:00:27,269
run-through of the countdown teams from

13
00:00:31,820 --> 00:00:29,910

Boeing ula and NASA work together to

14

00:00:33,530 --> 00:00:31,830

practice for Boeing's uncrewed orbital

15

00:00:35,420 --> 00:00:33,540

flight test to the International Space

16

00:00:38,060 --> 00:00:35,430

Station for the agency's Commercial Crew

17

00:00:40,490 --> 00:00:38,070

program Kennedy Space Center Director

18

00:00:42,170 --> 00:00:40,500

Bob Cabana invited the workforce to

19

00:00:44,360 --> 00:00:42,180

enjoy coffee and refreshments on

20

00:00:45,799 --> 00:00:44,370

December 11th wrapping up an exciting

21

00:00:46,549 --> 00:00:45,809

and busy year at the multi-user

22

00:00:49,010 --> 00:00:46,559

spaceport

23

00:00:51,200 --> 00:00:49,020

the annual event welcomes all current

24

00:00:52,850 --> 00:00:51,210

center employees and NASA retirees to

25

00:00:54,439 --> 00:00:52,860

take a brief break and exchange holiday

26

00:00:57,709 --> 00:00:54,449

greetings with colleagues and senior
