discussion with senior leaders of NASA

14

00:00:31,820 --> 00:00:29,699

programs based at the center panelists

15

00:00:33,770 --> 00:00:31,830

focus on exploration ground system to

16

00:00:36,350 --> 00:00:33,780

support Artemus missions gateway

17

00:00:38,750 --> 00:00:36,360

logistic services spaceport integration

18

00:00:41,090 --> 00:00:38,760

and Services Center planning and

19

00:00:44,209 --> 00:00:41,100

development and exploration research and

20

00:00:45,889 --> 00:00:44,219

Technology programs the Kennedy Space

21

00:00:47,540 --> 00:00:45,899

Center workforce was saddened to hear of

22

00:00:50,420 --> 00:00:47,550

the passing of Katherine Johnson on

23

00:00:52,279 --> 00:00:50,430

February 24th Johnson's life and work

24

00:00:53,270 --> 00:00:52,289

for NASA was one of those depicted in

25

00:00:56,209 --> 00:00:53,280

the big-screen film

26

00:00:57,500 --> 00:00:56,219

hidden figures Barbara brown chief

27

00:00:59,540 --> 00:00:57,510

technologists in the exploration

28

00:01:01,700 --> 00:00:59,550

research and technology programs at

29

00:01:04,820 --> 00:01:01,710

Kennedy shared her thoughts about this

30

00:01:07,630 --> 00:01:04,830

American hero actually was sad I pause

31

00:01:10,070 --> 00:01:07,640

for a minute to think about her legacy

32

00:01:12,469 --> 00:01:10,080

some of the hurdles that she had to go

33

00:01:14,810 --> 00:01:12,479

through some of the things that she had

34

00:01:17,570 --> 00:01:14,820

to endure and trying to work for NASA

35

00:01:20,030 --> 00:01:17,580

and trying to let her brilliant shine

36

00:01:22,130 --> 00:01:20,040

during her 30 plus year career with NASA

37

00:01:23,990 --> 00:01:22,140

Johnson helped humanity break

38

00:01:25,789 --> 00:01:24,000

gravitational bonds and open new

39

00:01:28,600 --> 00:01:25,799

opportunities for women and people of

40

00:01:31,609 --> 00:01:28,610

color and Aeronautics and Space Flight
