

INSIDE
▶▶ KSC!

1
00:00:04,460 --> 00:00:02,480
hi my name is Chris Hadfield I'm an

2
00:00:09,530 --> 00:00:04,470
astronaut and we're taking you inside

3
00:00:11,629 --> 00:00:09,540
KSC NASA and SpaceX are targeting Friday

4
00:00:13,700 --> 00:00:11,639
March 6 for the 20th commercial resupply

5
00:00:15,919 --> 00:00:13,710
services mission to the International

6
00:00:17,870 --> 00:00:15,929
Space Station the SpaceX Falcon 9 rocket

7
00:00:19,880 --> 00:00:17,880
and uncrewed cargo Dragon spacecraft

8
00:00:22,220 --> 00:00:19,890
will launch from Cape Canaveral Air

9
00:00:25,279 --> 00:00:22,230
Force Station Space Launch Complex 40 in

10
00:00:26,929 --> 00:00:25,289
Florida liftoff is scheduled for 11:50

11
00:00:29,390 --> 00:00:26,939
p.m. Eastern Standard Time

12
00:00:31,429 --> 00:00:29,400
CRS 20 will be the third trip to space

13
00:00:33,530 --> 00:00:31,439

for the spacecraft and the second flight

14

00:00:35,120 --> 00:00:33,540

for this falcon 9 rocket dragon will

15

00:00:36,620 --> 00:00:35,130

deliver critical science investigations

16

00:00:38,869 --> 00:00:36,630

and cargo to the orbiting laboratory

17

00:00:40,639 --> 00:00:38,879

including research on water droplet

18

00:00:42,650 --> 00:00:40,649

formation and a study on the human

19

00:00:44,180 --> 00:00:42,660

intestine the spacecraft will remain at

20

00:00:45,889 --> 00:00:44,190

the station for about four weeks after

21

00:00:49,790 --> 00:00:45,899

which it will return to earth with

22

00:00:51,080 --> 00:00:49,800

research and cargo Kennedy Space Center

23

00:00:52,430 --> 00:00:51,090

employees attended a variety of

24

00:00:54,110 --> 00:00:52,440

presentations and events during the

25

00:00:56,450 --> 00:00:54,120

center's annual safety and health days

26
00:00:58,459 --> 00:00:56,460
taking place March 2nd through March 6

27
00:01:00,200 --> 00:00:58,469
the presentations focused on an array of

28
00:01:02,270 --> 00:01:00,210
topics some of these included how to

29
00:01:04,340 --> 00:01:02,280
reduce stress managing fatigue and

30
00:01:06,920 --> 00:01:04,350
optimizing performance and a high-risk

31
00:01:08,630 --> 00:01:06,930
business plus many more all of them

32
00:01:10,580 --> 00:01:08,640
ensure the Kennedy workforce knows what

33
00:01:12,380 --> 00:01:10,590
really matters remaining healthy and

34
00:01:15,469 --> 00:01:12,390
working safely here on earth to support

35
00:01:17,300 --> 00:01:15,479
a safe and healthy crew in space for

36
00:01:19,850 --> 00:01:17,310
more of inside KSC
