MANAGER, GATEWAY DEEP SPACE LOGISTICS OFFICE

1

00:00:02,240 --> 00:00:07,740

Hi, I'm Mark Wiese Manager of the Gateway
Deep Space Logistics Office at NASA's

2

00:00:07,740 --> 00:00:11,580

Kennedy Space Center in Florida. Built
with our commercial and international

3

00:00:11,580 --> 00:00:15,690

partners, the Gateway is a spaceship that
will orbit the moon and support human

4

00:00:15,690 --> 00:00:19,500

expeditions to the lunar surface as well
as missions further into our solar

5

00:00:19,500 --> 00:00:24,420

system, including Mars. We're excited to
share that SpaceX was selected as NASA's

6

00:00:24,420 --> 00:00:28,769

first partner on the Gateway Logistics
services contract using their Dragon

7

00:00:28,769 --> 00:00:33,210

Excel spacecraft. SpaceX will deliver
critical cargo, experiments and other

8

00:00:33,210 --> 00:00:36,899

supplies the crew may need on the
Gateway or for their expeditions down to

9

00:00:36,899 --> 00:00:40,559

the lunar surface. This award
announcement is another milestone that

10

00:00:40,559 --> 00:00:44,129

NASA's Artemis program, which will see
our nation exploring more of the moon

11

00:00:44,129 --> 00:00:49,200

than ever before with robots and humans.

We're sending the first woman and the

12

00:00:49,200 --> 00:00:54,210

next man to the lunar surface by 2024

and sustainably to explore the rest of
