

**INSIDE  
▶▶ KSC!**

1  
00:00:02,869 --> 00:00:00,789

[Music]

2  
00:00:04,789 --> 00:00:02,879

i'm nasa kennedy's courtney langevin and

3  
00:00:08,390 --> 00:00:04,799

i'm outside ksc taking you

4  
00:00:10,150 --> 00:00:08,400

inside ksc nasa and spacex announced

5  
00:00:11,350 --> 00:00:10,160

that they are targeting no earlier than

6  
00:00:13,749 --> 00:00:11,360

october 23rd

7  
00:00:15,509 --> 00:00:13,759

2020 for their first operational flight

8  
00:00:16,310 --> 00:00:15,519

with crew to the international space

9  
00:00:18,070 --> 00:00:16,320

station

10  
00:00:19,429 --> 00:00:18,080

part of the agency's commercial crew

11  
00:00:21,510 --> 00:00:19,439

program crew one

12  
00:00:23,509 --> 00:00:21,520

will be the first of regular rotational

13  
00:00:25,910 --> 00:00:23,519

missions to the orbiting laboratory

14

00:00:27,990 --> 00:00:25,920

the spacex falcon 9 rocket topped with

15

00:00:29,589 --> 00:00:28,000

the company's crew dragon spacecraft

16

00:00:31,830 --> 00:00:29,599

is scheduled to lift off from kennedy

17

00:00:35,030 --> 00:00:31,840

space center's historic launch complex

18

00:00:37,190 --> 00:00:35,040

39a in florida crew dragon will carry

19

00:00:39,670 --> 00:00:37,200

spacecraft commander michael hopkins

20

00:00:41,510 --> 00:00:39,680

pilot victor glover mission specialist

21

00:00:42,790 --> 00:00:41,520

shannon walker and mission specialist

22

00:00:44,709 --> 00:00:42,800

suichi noguchi

23

00:00:46,069 --> 00:00:44,719

to the space station for a six-month

24

00:00:48,549 --> 00:00:46,079

science mission

25

00:00:50,630 --> 00:00:48,559

hopkins glover and walker are all nasa

26  
00:00:53,750 --> 00:00:50,640  
astronauts and noguchi is a japan

27  
00:00:55,590 --> 00:00:53,760  
aerospace exploration agency astronaut

28  
00:00:57,590 --> 00:00:55,600  
in preparation for the launch the crew

29  
00:00:59,510 --> 00:00:57,600  
of four recently completed emergency

30  
00:01:01,430 --> 00:00:59,520  
egress training in florida

31  
00:01:03,510 --> 00:01:01,440  
the two training scenarios involved

32  
00:01:05,670 --> 00:01:03,520  
simulating emergency situations

33  
00:01:07,510 --> 00:01:05,680  
following splashdown of the spacecraft

34  
00:01:09,190 --> 00:01:07,520  
as well as just before liftoff at the

35  
00:01:11,270 --> 00:01:09,200  
launch pad

36  
00:01:13,510 --> 00:01:11,280  
senior leaders at kennedy held a virtual

37  
00:01:15,270 --> 00:01:13,520  
town hall meeting on august 20th where

38  
00:01:16,230 --> 00:01:15,280

questions submitted by the workforce

39

00:01:17,990 --> 00:01:16,240  
were answered

40

00:01:20,070 --> 00:01:18,000  
participating in the town hall were

41

00:01:22,149 --> 00:01:20,080  
center director bob cabana

42

00:01:24,070 --> 00:01:22,159  
deputy director janet petra and

43

00:01:25,429 --> 00:01:24,080  
associate directors calvin manning and

44

00:01:27,429 --> 00:01:25,439  
bert summerfield

45

00:01:29,270 --> 00:01:27,439  
during the live broadcast kennedy

46

00:01:31,030 --> 00:01:29,280  
employees were encouraged to email in

47

00:01:33,350 --> 00:01:31,040  
any questions they had for upper

48

00:01:35,350 --> 00:01:33,360  
management the town hall touched on a

49

00:01:37,350 --> 00:01:35,360  
variety of topics from looking back at

50

00:01:38,149 --> 00:01:37,360  
the success of recent launches to what

51

00:01:40,310 --> 00:01:38,159

lies ahead

52

00:01:42,789 --> 00:01:40,320

to updates on the criteria for returning

53

00:01:44,950 --> 00:01:42,799

to on-site work

54

00:01:52,830 --> 00:01:44,960

for more inside ksc check us out on

55

00:01:52,840 --> 00:01:58,620

kennedy
