

**INSIDE  
▶▶ KSC!**

1  
00:00:03,909 --> 00:00:01,270

[Music]

2  
00:00:07,909 --> 00:00:03,919

i'm nasa kennedy's debra marsalisi

3  
00:00:11,030 --> 00:00:07,919

and i'm taking you inside ksc

4  
00:00:11,910 --> 00:00:11,040

nasa's iconic worm logo makes an

5  
00:00:14,870 --> 00:00:11,920

appearance

6  
00:00:15,509 --> 00:00:14,880

for the agency's artemis one mission the

7  
00:00:19,470 --> 00:00:15,519

logo

8  
00:00:20,630 --> 00:00:19,480

first introduced in 1975 and retired in

9  
00:00:23,429 --> 00:00:20,640

1992

10  
00:00:23,830 --> 00:00:23,439

was recently painted onto the two space

11  
00:00:26,870 --> 00:00:23,840

launch

12  
00:00:27,670 --> 00:00:26,880

system boosters by exploration ground

13  
00:00:30,630 --> 00:00:27,680

systems

14

00:00:32,709 --> 00:00:30,640

and their support contractor jacobs

15

00:00:35,590 --> 00:00:32,719

after the boosters are stacked

16

00:00:38,310 --> 00:00:35,600

technicians will secure an access panel

17

00:00:40,470 --> 00:00:38,320

across the middle section of the booster

18

00:00:42,790 --> 00:00:40,480

and paint it to complete the insignia

19

00:00:45,670 --> 00:00:42,800

the worm and european space

20

00:00:45,910 --> 00:00:45,680

agency logos were recently applied to

21

00:00:48,950 --> 00:00:45,920

the

22

00:00:49,910 --> 00:00:48,960

orion spacecraft as well technicians cut

23

00:00:53,270 --> 00:00:49,920

the emblems

24

00:00:55,990 --> 00:00:53,280

into flight proof decals and adhere them

25

00:00:59,910 --> 00:00:56,000

to the underside of orion's crew

26  
00:01:03,270 --> 00:00:59,920  
module adapter artemis one will test

27  
00:01:06,310 --> 00:01:03,280  
sls and the orion spacecraft

28  
00:01:06,950 --> 00:01:06,320  
as an integrated system prior to crude

29  
00:01:10,469 --> 00:01:06,960  
flights

30  
00:01:11,109 --> 00:01:10,479  
to the moon on wednesday kennedy

31  
00:01:13,670 --> 00:01:11,119  
received

32  
00:01:16,070 --> 00:01:13,680  
two state-of-the-art helicopters to add

33  
00:01:19,990 --> 00:01:16,080  
to its fleet of security choppers

34  
00:01:23,190 --> 00:01:20,000  
the two airbus h-135 helicopters

35  
00:01:26,630 --> 00:01:23,200  
will ultimately replace the three bell

36  
00:01:29,350 --> 00:01:26,640  
huey ii aircraft in servicenow

37  
00:01:32,390 --> 00:01:29,360  
maintained by kennedy's flight

38  
00:01:38,710 --> 00:01:35,510

the national fire protection association

39

00:01:41,350 --> 00:01:38,720

fire prevention week kicks off on sunday

40

00:01:41,749 --> 00:01:41,360

this year fire prevention week focuses

41

00:01:44,710 --> 00:01:41,759

on

42

00:01:46,230 --> 00:01:44,720

fire safety in the kitchen cooking fires

43

00:01:49,190 --> 00:01:46,240

are the number one cause

44

00:01:50,310 --> 00:01:49,200

of home fires and related injuries to

45

00:01:53,429 --> 00:01:50,320

raise awareness

46

00:01:54,710 --> 00:01:53,439

fire teams at kennedy developed a public

47

00:01:57,429 --> 00:01:54,720

service announcement

48

00:01:59,109 --> 00:01:57,439

outlining some helpful tips to remember

49

00:02:01,830 --> 00:01:59,119

when cooking in the kitchen

50

00:02:03,709 --> 00:02:01,840
