

1  
00:00:12,789 --> 00:00:09,830  
as you can see the hatch being closed

2  
00:00:16,310 --> 00:00:14,629  
they're going to push on that to make

3  
00:00:17,750 --> 00:00:16,320  
sure it seals up really good they're

4  
00:00:19,590 --> 00:00:17,760  
going to push on it because the hatch

5  
00:00:21,429 --> 00:00:19,600  
itself if it's not locked it wants to

6  
00:00:22,710 --> 00:00:21,439  
spring open so you've got to overcome

7  
00:00:24,390 --> 00:00:22,720  
that force
