

1  
00:00:03,830 --> 00:00:02,310  
we should hear fearing jettison here

2  
00:00:05,510 --> 00:00:03,840  
shortly which firing separation

3  
00:00:07,670 --> 00:00:05,520  
confirmed there we have fairing

4  
00:00:09,910 --> 00:00:07,680  
separation confirmed and we watch this

5  
00:00:13,030 --> 00:00:09,920  
and we see that on the video here

6  
00:00:14,470 --> 00:00:13,040  
um and that now exposes xp to the

7  
00:00:16,790 --> 00:00:14,480  
environments of space uh it was

8  
00:00:18,390 --> 00:00:16,800  
protected by that fairing on a scent for

9  
00:00:19,590 --> 00:00:18,400  
arrow heating and loading and things are
