

1
00:00:16,250 --> 00:00:13,129
to minus 10 9 8 7 6 5 4 3 2 1 engine

2
00:00:19,609 --> 00:00:16,260
full power and lift off a CRS point six

3
00:00:22,010 --> 00:00:19,619
go Falcon and Happy Thanksgiving ISS

4
00:00:24,170 --> 00:00:22,020
UE that's right lift off of spacex's

5
00:00:26,210 --> 00:00:24,180
Falcon 9 rocket for the 26th cargo

6
00:00:28,490 --> 00:00:26,220
resupply Mission bringing new science

7
00:00:56,689 --> 00:00:28,500
experiments and solar arrays to the

8
00:01:02,750 --> 00:01:00,350
see Falcon 9 carrying crs-26 on its way

9
00:01:04,729 --> 00:01:02,760
to the International Space Station

10
00:01:07,190 --> 00:01:04,739
we are throttling down the engines on

11
00:01:09,950 --> 00:01:07,200
the first stage this helps us prepare

12
00:01:11,570 --> 00:01:09,960
for Max Q which is maximum Dynamic

13
00:01:15,289 --> 00:01:11,580

pressure it's the largest structural

14

00:01:17,330 --> 00:01:15,299

load that the vehicle sees on ascent
