

1
00:00:03,770 --> 00:00:02,389
and here they come yep and there they

2
00:00:04,970 --> 00:00:03,780
are heading out just so just to Steve's

3
00:00:06,530 --> 00:00:04,980
left is where they would have signed the

4
00:00:07,789 --> 00:00:06,540
patch already probably did that this

5
00:00:10,190 --> 00:00:07,799
morning you can see uh the chief of the

6
00:00:12,530 --> 00:00:10,200
astronaut office Joe a Caba just behind

7
00:00:14,990 --> 00:00:12,540
them yeah there's a Woody and Stephen

8
00:00:17,029 --> 00:00:15,000
and then Behind The Mandrell and then

9
00:00:20,450 --> 00:00:17,039
Norm knights in the tan jacket there the

10
00:00:24,769 --> 00:00:22,130
about to step into crew walkout we

11
00:00:28,189 --> 00:00:26,210
so you can see that poster behind them

12
00:00:29,269 --> 00:00:28,199
has been signed by tons of people on the

13
00:00:30,650 --> 00:00:29,279

launch Team so you can see the picture

14

00:00:32,569 --> 00:00:30,660

but then all around it is signatures

15

00:00:34,190 --> 00:00:32,579

which was a kind of a cool surprise uh

16

00:00:35,569 --> 00:00:34,200

to see they don't see that until that

17

00:00:38,410 --> 00:00:35,579

moment when they get in the elevator and

18

00:00:42,049 --> 00:00:38,420

then see all those signatures

19

00:00:44,209 --> 00:00:42,059

and here they come crew six taking their

20

00:00:49,250 --> 00:00:44,219

first steps outside before their journey

21

00:00:53,810 --> 00:00:52,069

left to right we have Andre fejeriev

22

00:00:55,430 --> 00:00:53,820

Woody hoberg

23

00:01:00,529 --> 00:00:55,440

Stephen Bowen

24

00:01:05,630 --> 00:01:02,389

and now they'll stand in front of their
