

1
00:00:06,349 --> 00:00:03,050
you are looking live at launch complex

2
00:00:08,450 --> 00:00:06,359
39a at Kennedy Space Center in just over

3
00:00:11,089 --> 00:00:08,460
20 minutes this Falcon 9 rocket will

4
00:00:13,669 --> 00:00:11,099
lift off carrying the 28th Commercial

5
00:00:15,650 --> 00:00:13,679
resupply Services Mission from both NASA

6
00:00:16,970 --> 00:00:15,660
and SpaceX to the International Space

7
00:00:18,650 --> 00:00:16,980
Station

8
00:00:22,070 --> 00:00:18,660
good morning and welcome to live

9
00:00:24,470 --> 00:00:22,080
coverage of the crs-28 launch I'm NASA's

10
00:00:26,750 --> 00:00:24,480
Jasmine Hopkins fueling of the Falcon 9

11
00:00:28,910 --> 00:00:26,760
began about 15 minutes ago and we're

12
00:00:32,990 --> 00:00:28,920
counting down to an instantaneous launch

13
00:00:35,450 --> 00:00:33,000

at 11 47 a.m eastern time this Mission

14

00:00:37,970 --> 00:00:35,460

will deliver about 7 thousand pounds of

15

00:00:39,950 --> 00:00:37,980

science supplies and equipment to the

16

00:00:42,049 --> 00:00:39,960

space station and these missions help

17

00:00:43,910 --> 00:00:42,059

NASA and our partners continue research
