

1
00:00:20,790 --> 00:00:18,550
hello my name is gailene eimes and i

2
00:00:23,429 --> 00:00:20,800
work at marshall space flight center

3
00:00:25,750 --> 00:00:23,439
as a ground systems engineer one of my

4
00:00:27,670 --> 00:00:25,760
favorite parts about working for nasa

5
00:00:30,790 --> 00:00:27,680
is i support the international space

6
00:00:32,549 --> 00:00:30,800
station my role is to interact with

7
00:00:34,870 --> 00:00:32,559
international partners

8
00:00:36,470 --> 00:00:34,880
to ensure that their science data gets

9
00:00:39,830 --> 00:00:36,480
distributed to them

10
00:00:42,709 --> 00:00:39,840
seamlessly so my path to nasa started

11
00:00:45,990 --> 00:00:42,719
with my mom she gave me three choices

12
00:00:49,270 --> 00:00:46,000
it was either be a lawyer be a doctor

13
00:00:51,670 --> 00:00:49,280

or be an engineer because of my love for

14

00:00:54,869 --> 00:00:51,680

math and science i chose

15

00:00:57,990 --> 00:00:54,879

engineering some advice i would give

16

00:01:00,470 --> 00:00:58,000

is to find a mentor and be a mentor i

17

00:01:02,389 --> 00:01:00,480

myself have been a mentor for the

18

00:01:04,549 --> 00:01:02,399

student internship program

19

00:01:06,070 --> 00:01:04,559

for several years i've worked with

20

00:01:09,350 --> 00:01:06,080

college students

21

00:01:09,750 --> 00:01:09,360

on a daily basis to help them explore

22

00:01:13,030 --> 00:01:09,760

their

23

00:01:16,710 --> 00:01:13,040

career paths the coolest part of my job

24

00:01:19,510 --> 00:01:16,720

is to work with different cultures and

25

00:01:20,390 --> 00:01:19,520

meet different people my mom is from the

26

00:01:22,950 --> 00:01:20,400

philippines

27

00:01:23,749 --> 00:01:22,960

my dad is american and i'm first

28

00:01:26,710 --> 00:01:23,759

generation

29

00:01:28,710 --> 00:01:26,720

asian pacific islander as someone who

30

00:01:30,789 --> 00:01:28,720

works with international partners

31

00:01:31,990 --> 00:01:30,799

i'd like to see people work beyond their
