**MOTHER'S
MAKING ROCKET'S**

1
00:00:00,000 --> 00:00:16,549

2
00:00:16,549 --> 00:00:21,621

Hello, my name is Sheena and I work at Michoud Assembly Facility.

3
00:00:21,621 --> 00:00:26,493

and this is my daughter Mia, my son Jude, and my baby son Jett.

4
00:00:26,493 --> 00:00:28,428

Say Hi!

5
00:00:28,428 --> 00:00:33,767

For Mother's Day we usually make Mom some breakfast and some coffee,

6
00:00:33,767 --> 00:00:37,103

I try to make a presentation with a whole bunch of pictures.

7
00:00:37,103 --> 00:00:40,640

What do you guys think of mommy working at a place where they build rockets?

8
00:00:40,640 --> 00:00:42,442

I think it's really cool

9
00:00:42,442 --> 00:00:43,777

Where are those rockets going to go?

10
00:00:43,777 --> 00:00:45,078

To the moon.

11
00:00:45,078 --> 00:00:47,013

You guys want to go to the moon one day?

12

00:00:47,013 --> 00:00:47,981

YES!

13

00:00:47,981 --> 00:00:52,218

Hey everybody, my name is Lacey Holloway and this is my family.

14

00:00:52,218 --> 00:00:56,990

My name's Tayler, Juliana, Cayden, Ava.

15

00:00:56,990 --> 00:00:59,559

And what do we usually do to celebrate Mother's Day?

16

00:00:59,559 --> 00:01:03,997

Go out and eat, give you gifts, or go out with family.

17

00:01:03,997 --> 00:01:08,768

What do you think about me, as your mom, being a part of the creation of the

18

00:01:08,768 --> 00:01:10,770

mother of all rockets?

19

00:01:10,770 --> 00:01:11,738

Cool

20

00:01:11,738 --> 00:01:16,843

It's pretty cool that you get to help send more rockets to space.

21

00:01:16,843 --> 00:01:22,015

Knowing that NASA's SLS is going to be the most powerful rocket that we've

22

00:01:22,015 --> 00:01:26,619

ever built, makes me feel very honored and very excited to be part of

23

00:01:26,619 --> 00:01:28,121

all of this.

24

00:01:28,121 --> 00:01:32,092

So Happy Mother's Day from our
family to yours, bye!

25

00:01:32,592 --> 00:01:34,961

Hi, I'm Candice Talley and I'm Tatum
Talley.

26

00:01:34,961 --> 00:01:37,864

We celebrate Mother's Day by visiting my
grandmother.

27

00:01:39,566 --> 00:01:42,135

I am proud to support MAF.

28

00:01:42,135 --> 00:01:45,672

Am I am proud that my mother is part of
SLS.

29

00:01:51,611 --> 00:01:56,816

My name is Tracey Higgins and I work at
MAF, AKA the rocket factory

30

00:01:56,816 --> 00:01:58,785

and this is my lovely daughter.

31

00:01:58,785 --> 00:02:03,823

Kahla Peterson, and my lovely daughter,
Ivee Peterson.

32

00:02:05,258 --> 00:02:10,196

And what we usually do for Mother's Day
is we have a big crawfish boil with all

33

00:02:10,196 --> 00:02:12,932

the fixings because we have a huge family.

34

00:02:14,134 --> 00:02:18,338

I've always thought it was real cool that my mom worked at a rocket factory.

35

00:02:18,338 --> 00:02:21,040

She gets to see a lot of interesting things coming in and out of the factory

36

00:02:21,040 --> 00:02:24,477

She even comes home with cool NASA swag, she's come home with plenty of

37

00:02:24,477 --> 00:02:26,779

posters that were signed by astronauts.

38

00:02:26,779 --> 00:02:30,517

I think that early on that's what brought my interest into wanting to be part of

39

00:02:30,517 --> 00:02:32,552

something so big.

40

00:02:32,552 --> 00:02:36,956

And here I am, years later, I support NASA as well for 4 and 1/2 years.

41

00:02:36,956 --> 00:02:41,361

And I love my job and I love the people that I work with.
