

NASA Celebrates  
Women's History  
Month

1  
00:00:07,307 --> 00:00:20,954  
[ MUSIC ]

2  
00:00:20,954 --> 00:00:21,821  
>> I'M LISA WATSON MORGAN,

3  
00:00:21,821 --> 00:00:23,323  
AND I'M THE HUMAN LANDING

4  
00:00:23,323 --> 00:00:25,325  
SYSTEM PROGRAM MANAGER,

5  
00:00:25,325 --> 00:00:27,360  
AND WE ARE ONE OF THE ELEMENTS

6  
00:00:27,360 --> 00:00:29,429  
OF THE ARMAS PROGRAM.

7  
00:00:29,429 --> 00:00:32,732  
THERE'S SLS, ORION, GATEWAY,

8  
00:00:32,732 --> 00:00:34,868  
AND THE HUMAN LANDING SYSTEM.

9  
00:00:34,868 --> 00:00:35,602  
AND SO, WE'RE THE SYSTEM

10  
00:00:35,602 --> 00:00:38,271  
THAT WILL FERRY CREW FROM

11  
00:00:38,271 --> 00:00:40,340  
THE NEAR RECTILINEAR HALO ORBIT

12  
00:00:40,340 --> 00:00:45,678  
TO THE MOON AND BACK.

13  
00:00:45,678 --> 00:00:48,014

BEING THE FIRST PROGRAM MANAGER,

14

00:00:48,014 --> 00:00:49,716

UH, FOR FUNDING

15

00:00:49,716 --> 00:00:50,717

HUMAN LANDING SYSTEM,

16

00:00:50,717 --> 00:00:52,085

THE FIRST FEMALE PROGRAM MANAGER

17

00:00:52,085 --> 00:00:53,620

IS REALLY EXCITING,

18

00:00:53,620 --> 00:00:56,055

AND I WAS ALSO THE FIRST, UM,

19

00:00:56,055 --> 00:00:58,324

FEMALE CHIEF ENGINEER, UH,

20

00:00:58,324 --> 00:00:59,659

MANAGER OF THE CHIEF ENGINEER'S

21

00:00:59,659 --> 00:01:01,795

OFFICE AT MARSHALL, TOO,

22

00:01:01,795 --> 00:01:03,229

WHICH WAS, AGAIN,

23

00:01:03,229 --> 00:01:04,764

REALLY THRILLING AND EXCITING,

24

00:01:04,764 --> 00:01:06,533

UH, TO BE PART OF SUCH

25

00:01:06,533 --> 00:01:08,968

A GREAT TECHNICAL TEAM.

26  
00:01:08,968 --> 00:01:11,438  
WE'RE RESPONSIBLE FOR THE COST,

27  
00:01:11,438 --> 00:01:13,339  
THE SCHEDULE, THE TECHNICAL,

28  
00:01:13,339 --> 00:01:15,275  
ALL THE FACETS OF THE DESIGN

29  
00:01:15,275 --> 00:01:17,477  
DEVELOPMENT TEST EVALUATION

30  
00:01:17,477 --> 00:01:18,411  
OF THE VARIOUS

31  
00:01:18,411 --> 00:01:22,982  
LANDER COMPONENTS.

32  
00:01:22,982 --> 00:01:25,418  
MY FIRST JOB EVER WAS

33  
00:01:25,418 --> 00:01:27,253  
WORKING IN THE-- IN THE MALL,

34  
00:01:27,253 --> 00:01:29,088  
SELLING CANDY, HERE LOCALLY

35  
00:01:29,088 --> 00:01:30,156  
IN HUNTSVILLE, ALABAMA,

36  
00:01:30,156 --> 00:01:31,825  
'CAUSE THAT'S WHERE I'M FROM.

37  
00:01:31,825 --> 00:01:33,359  
UM, AND I WAS 16,

38  
00:01:33,359 --> 00:01:34,194

AND I DON'T THINK I DID

39

00:01:34,194 --> 00:01:35,328

A VERY GOOD JOB AT IT,

40

00:01:35,328 --> 00:01:37,730

BUT IT DEFINITELY TAUGHT ME

41

00:01:37,730 --> 00:01:38,932

A LOT ABOUT, YOU KNOW,

42

00:01:38,932 --> 00:01:39,966

SHOWING UP,

43

00:01:39,966 --> 00:01:41,367

BEING RESPONSIBLE, DEPENDABLE,

44

00:01:41,367 --> 00:01:46,206

AND THINGS LIKE THAT.

45

00:01:46,206 --> 00:01:48,541

MY FIRST ROLE AT NASA, UH,

46

00:01:48,541 --> 00:01:49,809

WAS A CO-OP STUDENT,

47

00:01:49,809 --> 00:01:51,644

AND THAT WAS ALSO VERY EXCITING.

48

00:01:51,644 --> 00:01:52,645

I GOT TO SEE

49

00:01:52,645 --> 00:01:54,514

THE PROFESSIONAL SIDE OF WORK

50

00:01:54,514 --> 00:01:56,783

AND, UM, NOT JUST AT THE MALL.

51  
00:01:56,783 --> 00:01:59,519  
UH, DELIVERING ON TIME,

52  
00:01:59,519 --> 00:02:01,254  
LEARNING FROM EXPERTS,

53  
00:02:01,254 --> 00:02:02,856  
AND I WAS ABLE TO WORK IN THE,

54  
00:02:02,856 --> 00:02:05,091  
UH, PAYLOAD OPERATIONS CENTER,

55  
00:02:05,091 --> 00:02:06,593  
AND-- TO TEST DATA FLOW

56  
00:02:06,593 --> 00:02:12,131  
ANALYSIS SOFTWARE.

57  
00:02:12,131 --> 00:02:12,832  
UM, DEFINITELY HAVE

58  
00:02:12,832 --> 00:02:13,867  
AN OPEN MIND.

59  
00:02:13,867 --> 00:02:14,901  
BE AWARE OF YOUR

60  
00:02:14,901 --> 00:02:16,970  
STRENGTHS AND WEAKNESSES, UM,

61  
00:02:16,970 --> 00:02:18,404  
ALWAYS ASSUME POSITIVE INTENT

62  
00:02:18,404 --> 00:02:19,672  
IN OTHERS,

63  
00:02:19,672 --> 00:02:20,707

AND JUST KNOW THAT THESE

64

00:02:20,707 --> 00:02:22,275

CHALLENGES THAT WE'RE FACING
