

A large, orange, cylindrical rocket core stage is suspended vertically in the center of a massive industrial facility. The structure is composed of a complex network of dark metal beams and supports, creating a dense, geometric pattern. The lighting is dramatic, with bright highlights on the orange surface of the rocket and deep shadows in the surrounding structure. In the background, other parts of the facility are visible, including a large white structure and various mechanical components. The overall atmosphere is one of industrial scale and precision.

THE THREE FLIGHT COMPUTERS
ARE IN THE ROCKET'S
BRIGHT ORANGE CORE STAGE.
