

1
00:00:01,334 --> 00:00:02,335
>> Diversity is

2
00:00:02,335 --> 00:00:04,070
being invited to the party.

3
00:00:05,071 --> 00:00:06,072
>> Inclusion is

4
00:00:06,072 --> 00:00:08,274
being asked to dance.

5
00:00:13,847 --> 00:00:16,216
>> I have a seat and a voice.

6
00:00:16,216 --> 00:00:17,917
>> I am accepted.

7
00:00:17,917 --> 00:00:20,220
>> I am free to be creative.

8
00:00:20,220 --> 00:00:22,956
>> I definitely belong here.

9
00:00:22,956 --> 00:00:25,392
>> My ideas are valuable.

10
00:00:25,392 --> 00:00:26,993
>> I'm proud to be a member

11
00:00:26,993 --> 00:00:28,995
of the Marshall family,

12
00:00:28,995 --> 00:00:30,430
and that's just what we are,

13
00:00:30,430 --> 00:00:31,631

a family.

14

00:00:31,631 --> 00:00:32,932

We come from a wide variety

15

00:00:32,932 --> 00:00:34,367

of backgrounds and cultures,

16

00:00:34,367 --> 00:00:35,335

an entire universe

17

00:00:35,335 --> 00:00:36,069

of differences

18

00:00:36,069 --> 00:00:37,470

and similarities,

19

00:00:37,470 --> 00:00:38,838

and it's the full participation

20

00:00:38,838 --> 00:00:40,273

belonging and contributions

21

00:00:40,273 --> 00:00:41,274

of the organizations

22

00:00:41,274 --> 00:00:42,409

and the individuals

23

00:00:42,409 --> 00:00:43,276

within our family

24

00:00:43,276 --> 00:00:44,477

that allow us to achieve

25

00:00:44,477 --> 00:00:46,346

mission success.

26

00:00:46,346 --> 00:00:47,380

But it's not just enough

27

00:00:47,380 --> 00:00:49,616

to ask someone to dance.

28

00:00:49,616 --> 00:00:50,683

>> It's about having someone

29

00:00:50,683 --> 00:00:52,452

teach us a new dance to music

30

00:00:52,452 --> 00:00:54,320

we've never heard before.

31

00:00:54,320 --> 00:00:55,989

>> That starts with being open

32

00:00:55,989 --> 00:00:57,190

and willing to learn

33

00:00:57,190 --> 00:00:59,426

and discover new things.

34

00:00:59,426 --> 00:01:00,560

>> NASA is exploring

35

00:01:00,560 --> 00:01:02,228

the secrets of the universe

36

00:01:02,228 --> 00:01:04,164

for the benefit of all.

37

00:01:04,164 --> 00:01:04,831

But this mission

38

00:01:04,831 --> 00:01:05,965

is only achievable

39

00:01:05,965 --> 00:01:07,634

in an atmosphere of inclusion

40

00:01:07,634 --> 00:01:09,335

and respect for all.

41

00:01:09,335 --> 00:01:10,136

That's how we make

42

00:01:10,136 --> 00:01:12,205

space exploration possible
